An Evangelical, Full Gospel publication for all people of all churches . . . dedicated to reporting the miraculous and instant healing of all manner of sickness, disease and affliction among the people of God . . . and the building and releasing of Faith in the hearts of the people, by the messages contained in these pages.

O. L. JAGGERS, Editor — Headquarters: Dexter, Mo.

DEAR MIRACLE WORKER READER:

I am happy to speak to you through the medium of the printed page. Long I have waited for this opportunity to be a blessing to you **FOR THE GLORY OF GOD.**

God has answered our prayers and marvelously opened the door of opportunity which in my opinion is the greatest opportunity that has yet come to the Full Gospel message and to the message of divine healing and miracles and Bible deliverance.

The greatest need in all the world today is for the Full Gospel message which includes healing for suffering humanity to be preached to the entire world by means of radio! Whereas we preach to several thousand people each night in our campaigns—we preach to millions every day by means of radio broadcasting!

It is my opinion that the Full Gospel message is the only thing that can save our nation from chaos! Great spiritual awakening and revival is the only thing that can save our nation and bring our men and boys home from all battle fronts. A crucial emergency is upon us! A critical day! a crisis hour! Our government is in great danger. Apostate religion is rampant. Godless forces are driving America to the brink of apocalyptic destruction. Her people are given over to obscene shows and vicious, sensual, sinful pleasures with no fear of approaching judgment upon their wickedness. Sodom and Gomorrah were destroyed by fire and brimstone for lesser evils than are found in our cities today. Daring, heroic spiritual leadership is needed to stir the soul of the nation, arouse the church and awaken the people to righteousness and warn a sinful nation of God's wrath about to fall upon all unrighteousness.

GREATER REVIVAL MUST COME

Revival is the only thing that will keep the horrors of atomic war from our shores, our cities, our homes, families and children. AND THERE IS BUT ONE THING THAT WILL BRING SUCH A REVIVAL AND THAT IS THE POWER OF THE HOLY SPIRIT, MANIFESTED THROUGH THE CHURCH OF JESUS CHRIST! IT IS IMPOSSIBLE TO DENY THIS BECAUSE OF THE WORDS OF THE MASTER HIMSELF IN ACTS 1:8 . . . "BUT YE SHALL RECEIVE POWER AFTER THAT THE HOLY GHOST COMES UPON YOU (THE BAPTISM WITH THE HOLY GHOST) AND YE SHALL BE WITNESSES UNTO ME." (OR BRING A GREAT REVIVAL). SINCE TIME IS SO SHORT TO WORK FOR THE MASTER THE GREATEST NEED THEN IS FOR THE FULL GOSPEL MESSAGE AND MESSAGE OF DELIVERANCE FROM ALL SICKNESS, TO REACH THE WHOLE WORLD BY MEANS OF RADIO.

ALL THE BENEFITS OF GOD'S WORD COME TO US THROUGH CALVARY AND PENTECOST ALL THE BENEFITS OF CALVARY (WHICH INCLUDES DIVINE HEALING IN THE ATONEMENT) COME TO US THROUGH PENTECOST! WE HAVE HEALING BECAUSE OF CALVARY FOR BECAUSE OF THE SUFFERINGS OF CHRIST WE ARE HEALED. BUT WE RECEIVE POWER TO PUT THE HEALING INTO OPERATION IN OUR BODY THROUGH PENTECOST, THAT IS THE BAPTISM WITH THE SPIRIT AND MANIFESTATION OF THE SPIRIT FOR IT IS THE POWER OF THE SPIRIT THAT HEALS! ALL MIRACLES COME THROUGH PENTECOST, FOR A MAN OF GOD CAN NEVER HAVE THE GIFT OF MIRACLES OR HEALING OR ANY GIFT OF THE SPIRIT UNTIL HE HAS BEEN BAPTIZED WITH THE SPIRIT! THE GREATEST NEED IN THE WORLD THEN IS FOR THIS MARVELOUS FULL GOSPEL MESSAGE TO

REACH THE TEEMING MILLIONS OF THE EARTH BY MEANS OF RADIO AS QUICKLY AS POSSIBLE.

While I was in the world I had a career in music and had broadcasts on the major radio net works. Since I have been in the evangelistic ministry for the past eleven years I have preached on hundreds of radio stations, but never on a net work. GOD SPOKE DIRECTLY TO ME ELEVEN YEARS AGO AND TOLD ME TO CARRY THIS FULL GOSPEL MESSAGE OF DELIVERANCE TO THE WHOLE WORLD BY MEANS OF RADIO.

GREAT STEP OF FAITH

We have taken a tremendous step of faith and God has marvelously blessed us. I am now preaching nightly on great super power stations in Mexico and now have had four different daily broadcasts for five months.

I also have a chain of broadcasts throughout the United States on Sundays and God is working wonders in making radio time available to us for this Full Gospel message. God has honored our faith and wonderfully made a way for these broadcasts to go forth to people in many parts of the world. I receive letters from Turkey, Norway, Sweden, England, South America and other parts of the world! We spent seventeen thousand dollars for the broadcasts the first month! God has made it possible for

O. L. Jagers

us to reach out all over the world through the most powerful radio stations in the world . . . with this Full Gospel message. Think of it! Millions of people hear this message every day! We are adding more stations in the United States every week. WHAT GREATER WAY ON EARTH . . . TO REACH LITERALLY MILLIONS OF PEOPLE WITH THIS LIFE GIVING, EMPOWERING, DIVINE HEALING MESSAGE!

WHAT GOD HAS DONE

The results have been amazing. I wish it were possible for you to read some of the hundreds of testimonies which I have received of people saved, healed, and filled with the spirit as a result of the broadcasts. I read the testimonies and weep for joy!

Think of the power of these great stations through which the Full Gospel message has been sent to the earth!

XELO . . . JUAREZ, MEXICO . . . 150,000 WATTS SUPER POWER . . . DAILY (Now off three summer months).

XEG . . . MONTERREY, MEXICO . . . 150,000 WATTS SUPER POWER . . . DAILY 9:00 p.m. (CST)

XERB . . . ROSARITA BEACH, MEXICO . . . 50,000 WATTS, AS POWERFUL AS THE MOST POWERFUL RADIO STATION IN THE UNITED STATES . . . DAILY. 9:00 p.m. (PACIFIC TIME)

HERE ARE 350,000 WATTS WHICH HAVE SENT THE FULL GOSPEL MESSAGE OF DELIVERANCE TO THE WORLD! NEXT WE HAVE STATIONS OVER THE UNITED STATES SUCH AS:

KSKY . . . DALLAS, TEXAS . . . (CST) 12:30 p.m. SUNDAYS.

KRBA . . . LUFKIN, TEXAS . . . 4:30 p.m. SUNDAYS (CST)

XEG . . . THE VOICE OF NORTH AMERICA . . . 9:00 p.m. SUNDAY (CST)

KEVT . . . KERRVILLE, TEXAS . . . SUNDAYS (CST)

WCVS . . . SPRINGFIELD, ILLINOIS . . . 2:30 p.m. SUNDAYS (CST).

KBOA . . . KENNET, MISSOURI . . . 2:30 p.m. . . . SUNDAYS. (CST)

XERB . . . ROSARITA BEACH, MEXICO . . . 9:00 p.m. SUNDAYS (PST)

AS A REPRESENTATIVE OF THE FULL GOSPEL MESSAGE AND OF THE MESSAGE OF DIVINE HEALING AND THE MIRACLE WORKING POWER OF GOD THAT HEALS ALL MANNER OF SICKNESS, DISEASE AND AFFLICTION . . . I DO NOT INTEND TO STOP UNTIL WE REACH THE WHOLE WORLD, THIS IS THE OPPORTUNITY TO PLACE THE FULL GOSPEL MESSAGE OF DELIVERANCE AND EVERYTHING THAT GOES WITH IT BEFORE THE WHOLE WORLD! Some say that we are working too hard, that we ought to slow down and take it easier. BUT THE TIME IS SHORT! OUR NATION IS IN GREAT DANGER! OUR BOYS ARE DYING ON FAR FLUNG BATTLE FIELDS IN A TERRIBLE ATOMIC AGE. AND MILLIONS ARE DYING WITHOUT CHRIST! WHAT WE DO WE MUST DO QUICKLY. WE MUST "WORK THE WORKS OF HIM THAT SENT US WHILE IT IS DAY FOR THE NIGHT COMETH WHEN NO MAN CAN WORK." I TELL YOU THAT THE POWER OF THE FULL GOSPEL MESSAGE, RIGHTLY DIVIDED, AND WITH A DIVINE ANOINTING CAN REVOLUTIONIZE THIS NATION AND BRING AN EVEN GREATER REVIVAL SUCH AS THIS WORLD HAS NEVER KNOWN!

I earnestly need the prayers of God's people everywhere.

HEALINGS AND MIRACLES

From Your Editor, Bro. Jagers:

DEAR MIRACLE WORKER READER:

Because of the very imminent return of our Lord Jesus Christ—it behooves us of the ministry to employ every vehicle of spreading the gospel and healing the sick that is at our disposal. Therefore, through the medium of Radio, we are reaching multitudes of lost humanity and the sick and suffering. Multitudes are hearing the full gospel through our efforts for which we thank God. We receive thousands of letters from people who say they are hearing the full gospel and the message of deliverance from all manner of sickness, disease and affliction for the first time. So abundant are the testimonies of people saved, backsliders brought back and especially all manner of sickness and diseases, healed by the power of God as a result of the healing cloths laid on their bodies, that it would take a volume to record the many testimonies.

When God spoke to me several years ago and told me to carry on this radio ministry, He promised to bring such great results that we would be able finally to reach the whole world with this ministry. As my vision revealed, millions of lost souls and sick and suffering humanity who were unguided in the truths of God's word for complete Bible deliverance are now hearing this life-giving message through four different daily broadcasts as well as the Sunday broadcasts.

It is my God given order and vision to see that the full gospel, via radio, is preached unto all the world before the return of our Lord Jesus Christ.

This is the greatest responsibility I have ever undertaken and only God given strength sustains us and keeps us giving out these broadcasts to millions who hear each week. We need the prayers of our friends for we are getting but little rest in order to keep these many broadcasts on the air. But the time is short and the times are critical. Our nation is heading for disaster. Therefore, we must spare no effort in this world wide revival by Radio.

Friends, it is too late for half measures. We must go all out for God. The financial responsibility of paying the tens of thousands of dollars for the Radio time on these great super power stations is tremendous. We are not only putting our God-given strength into this radio ministry, but also praying that all of God's people will stand behind these radio broadcasts, for they cost thousands of dollars each month, and we are not sponsored or underwritten by any church — and walk entirely by faith — that he will impress his people to support this Radio ministry which is reaching the masses.

It is wonderful how God has supplied every need as we have believed God for it.

THOUSANDS HEALED AS A RESULT OF THE BROADCASTS!

Typical testimonies of people healed as a result of the broadcasts and healing cloths sent to those who wrote in response to the broadcasts.

Dear Bro. Jaggers:

I am happy to tell you what God has done for me.

Years ago I hurt my back and have had to wear a stiff girdle with steel staves to support my back and could not go anywhere without it because my back would hurt and jerk without the girdle. My back and my lower limbs would hurt so bad I could not go to sleep until one and two o'clock in the morning. I had not been able to raise my arms and hands above my head nor stand on tip-toe, nor bend over very far.

I am happy to tell you that when I received your letter of instruction and the prayer cloth and applied the prayer cloth to my back, praise our wonderful God, I was healed! I can raise my arms and hands above my head and stand on tip-toe, then bend and touch the floor with my hands, something which I have been unable to do for many years.

How I thank you Bro. Jaggers for your prayers and I pray God will continue to bless you for you are bringing the truth to the world.

Your sister in Christ,

TIME-TESTED CANCER CASE

I was an evangelist, but my ministry had been ruined by a dreadful cancer of the throat. The physicians said I would never preach again, my voice was gone forever. The cancer was eating from the right side of my throat to the left side. I had been examined by several outstanding throat specialists. I had been treated by Dr. M. D. Chatterton of Oakland for months. Many nights I was awakened by my throat filling with blood and was sure that I would die for I would strangle on the blood. My throat was so swollen I couldn't button the top of a blouse and I suffered excruciating pain and soreness. Evangelist Jaggers laid hands on me, saying "Sister Nathan, in five minutes you will not have the cancer." I was instantly healed, the swelling left immediately, all pain and soreness. I can fold the blouse over my throat now. I have a voice that can shout from the house tops! I have gained 13 pounds in the past six weeks since I was healed. I have been examined four times by Dr. Chatterton since and there is not the slightest trace or symptom of the cancer.

Mrs. Louella Nathan
Oakland, Cal.

FOLLOWING IS AN EXACT COPY OF DR. CHATTERTON'S LETTER WRITTEN TO EVANG. O. L. JAGGERS, STATING THAT MRS. NATHAN IS HEALED, AFTER THE FIRST EXAMINATION:

Dear Reverend:

This is to certify that I have this day examined Evangelist Louella Nathan and have found a remarkable change and improvement in her serious throat complaint. The recent change for the better is the most remarkable I've seen in her since she first came to me.

DR. CHATTERTON'S LAST LETTER TO EVANG. JAGGERS AFTER FOUR EXHAUSTIVE EXAMINATIONS:

Dear Reverend:

This is to certify that I have this day examined Louella E. Nathan and find that the large swelling in her throat is gone and all the bleeding has stopped. Her throat appears to be in very good shape and her voice has improved immeasurably. The improvement in her condition has been beyond all expectation.

PALATE CREATED IN MOUTH

I was born without a palate in my mouth, and had been deaf in one ear for twenty-seven years. I can remember when my father and mother took me to doctors who used various kinds of medicines and tried everything to open my ear. Finally, my father and mother gave up, since the doctors could do nothing. When Brother Jaggers laid hands upon me and prayed, it felt like

there were three or four round objects like marbles in my head between my ears and I could feel them move one at a time until they were gone. I was instantly healed and my hearing is perfectly normal.

The roof of my mouth had a large round hole in it. I can remember when my father and mother tried to teach me how to talk plainly, but finally gave up. When Brother Jaggers laid his hands on me and prayed, God put a palate in my mouth. Already my speech is much plainer!

It is wonderful what God has done for me. When I was a small girl I had to sit at the head of the class in school because of my deafness, so that I could hear the teacher. Some of the pupils would make fun of me when I could not speak plainly because I had no palate in my mouth. My father and mother spent a great deal of money for doctors who finally gave up entirely. Praise the Lord, it is wonderful how God healed me.

CANCER DROPS OUT

I received a prayer cloth for the healing of cancer and I am feeling fine and praising God for His wonderful healing. When I applied the prayer cloth according to instructions, the cancer dropped out, and there was nothing left only a red place. Oh glory be to God!

CITY AND STATE

BEGINNING IN THIS ISSUE WE WILL GIVE A REVIEW EACH MONTH OF SOME OF BROTHER JAGGERS' GREAT CAMPAIGNS IN THE RECENT PAST WHICH HAVE STIRRED WHOLE CITIES FOR GOD!

THOUSANDS CONVERTED AND HEALED! FAIR PARK AUDITORIUM—DALLAS, TEXAS, 12 WEEKS!

This great campaign in Dallas, Texas, was sponsored by Rev. H. C. Noah, pastor of the Oak Cliff Assembly of God church and many cooperating pastors and churches. According to Rev. Noah and many of the cooperating pastors this was the greatest revival and divine healing campaign ever to come to the city of Dallas. The campaign was so great that it continued for twelve consecutive weeks. Thousands of souls were saved and in some of the great Holy Ghost rallies as many as two hundred received the baptism with the Holy Ghost in one night. The Holy Ghost rallies in Bro. Jagers' campaigns are tremendous services and it is not uncommon for several hundred people to receive the baptism with the Holy Ghost in one night by the imposition of hands by the evangelist and cooperating pastors.

This campaign in Dallas stirred the

entire city and surrounding cities and created such an interest that whole pages of newspapers were devoted to articles about the campaign. Tremendous crowds attended the campaign night after night which is indicated by the picture above of Fair Park Auditorium, which seats several thousand people. Practically every kind of disease and affliction were healed and mighty miracles took place instantly before the eyes of the people. So great was the interest and the state wide and even nation wide, attention given to this great campaign that it continued through Christmas week, which was the twelfth week, and closed on Christmas night! In the twelfth week of the campaign it was moved from Fair Park Auditorium to the Agriculture Building at the Fair Grounds which would house more people than Fair Park Au-

ditorium and crowds were even greater there.

During the last week of this great campaign, the first voice of healing convention was held through the day, and Brother Jagers was honored to have these mighty men of faith such as: Rev. Gordon Lindsay, editor of the Voice of Healing Magazine, Rev. William Branham, Rev. Jack Moore, co-editor of the Voice of Healing magazine, Anna Jeanne Moore, managing editor, Rev. Raymond T. Ritchey, Rev. F. F. Bosworth, Rev. Dale Hanson, Rev. Gale Jackson, Rev. Tannenbaum, Rev. Clifton Erickson, Rev. Gardner, and others.

Brother Jagers pays tribute to Rev. H. C. Noah, sponsor of this great campaign, whom he esteems as one of the greatest men of God in the ministry today.

Talkativeness is utterly ruinous to deep spirituality. The very life of our spirit passes out in our speech, and hence all superfluous talk is a waste of the vital forces of the heart. In fruit growing it often happens that excessive blossoming prevents a good crop, and often prevents fruit altogether; and by so much loquacity the soul runs wild in word bloom, and bears no fruit. I am not speaking of sinners, nor of legitimate testimony for Jesus, but of that incessant loquacity of nominally spiritual persons—of professors of purifying grace. It is one of the greatest hindrances to deep, solid union with God. Notice how people will tell the same thing over and over—how insignificant trifles are magnified by a world of words; how things that should be buried are dragged out into gossip; how a worthless non-essential is argued and disputed over; how the solemn, deep things of the Holy Spirit are rattled over in a light manner—until one who has the real baptism of divine silence in his heart, feels he must unceremoniously tear himself away to some lonely room or forest, where he can gather up the fragments of his mind and rest in God.

Not only do we need cleansing from sin, but our natural human spirit needs a radical death to its own noise and activity and wordiness.

See the evil effects of so much talk.

First, it dissipates the spiritual power. The thought and feeling of the soul are like powder and steam—the more they are condensed the greater their power.

The steam that if properly compressed would drive a train forty miles an hour, if allowed too much expanse would not move it an inch; and so the true action of the heart, if expressed in a few holy selected words, will sink into the minds to remain forever, but if dissipated in any rambling conversation is likely to be of no profit.

Some will be shocked to know the effect that talkativeness or wrong words on the physical body and definitely causes sickness and affliction! (Be sure to read this phase of Brother Jagers' book entitled EVERLASTING SPIRITUAL AND PHYSICAL HEALTH on the effect our WORDS have on our physical body. You will find it on page 123 through 130 in the bound book; and on page 131 through 138 in the paper bound book.

Pictured below is the efficient hard working office staff. Here we send out thousands of anointed cloths, books and encouraging letters to help the disheartened. These employees are spirit filled and they are praying for you . . . yes they are even fasting and praying. Brother Jagers prays over each prayer cloth and request individually.

Second, it is a waste of time. If the hours spent in useless conversation were spent in secret prayer or deep reading, we would soon reach a region of the soul life and divine peace beyond our present dreams.

Third, loquacity inevitably leads to saying unwise, or unpleasant, or unprofitable things. In religious conversations we soon churn up all the cream our souls have in them and the rest of our talk is all pale skim milk, until we get alone with God, and feed on His green pasture until the cream rises again. The Holy Spirit warns us that "in the multitude of words there lacketh not sin." It is impossible for even the best saints to talk beyond a certain point without saying something unkind, or severe, or foolish, or erroneous. We must settle this personally. If others are noisy and gabby, I must determine to live in constant quietness and humility of heart. I must guard my speech as a sentinel does a fortress; and with all respect for others, I must many a time cease from conversation or withdraw from company to enter into deep communion with my precious Lord. The cure for loquacity must be from within; some times by an interior furnace of suffering that burns out the excessive effervescence of the mind, or by an over-mastering revelation to the soul of the awful majesties of God and eternity which puts an everlasting hush upon the natural faculties. To walk in the Spirit we must avoid talking for talks' sake, or merely to entertain. To speak effectively we must speak in God's appointed time and in harmony with the indwelling Holy Spirit.

"He that hath knowledge spareth his words; and a man of understanding is of a cool spirit." Prov. 17-27 R. V.

"In quietness and in confidence shall be your strength." Isaith 30:15; Eccles. 5:2-3.

2. HEALING FOR THE (PHYSICAL BODY) BY THE HEAL-
ING STREAM OF THE VICARIOUS SUFFERINGS OF
JESUS' BRUISED AND BROKEN BODY.
"WHO HIS OWN SELF BARE OUR SINS IN HIS BODY . . .
BY WHOSE STRIPES YE WERE HEALED." I PETER 2:24.

These three words "It is finished" were spoken at the darkest hour in human history, when an angry mob crucified the world's best Friend.

The entire Word of God and the plan of Salvation hinges on these three words.

When Jesus uttered these words "It is finished" on the cross, they echoed down through the ages and provided Salvation, and physical healing for every nation, kindred and tongue, who will trust Him for the same.

When Christ uttered these words "It is finished" it meant:

1. That He had been successful in bearing the sins and unrighteousness of all the world and had made an atonement for the sins of all mankind by His blood.
2. That He had been successful in bearing all the sicknesses and diseases and infirmities of the physical body of all mankind by His vicarious sufferings.

What a tremendous statement this was!

Oh, the marvelous significance of these words echoing out of the distant past some 2000 years ago!

These three words "It is finished" provide in the 20th Century, both SPIRITUAL AND PHYSICAL HEALTH for all mankind through the shed blood and the vicarious sufferings of Jesus Christ.

Two great healing streams—not one—flowed out from Calvary — one for healing for the soul—the other for the health of the body. Modernists and skeptics don't believe this message, that when Christ uttered these 3 words "It is finished" that He provided Spiritual and physical health for all the world. The modernists and skeptics cannot understand how one man could die once, and thereby provide Salvation and physical healing for all nations, kindreds and tongues, for all the ages to come.

But we know the reason that one man could die once, and thereby provide both Spiritual and physical health for all the human family thru His shed blood and vicarious sufferings, was because that one man was no ordinary man.

Consider how great this man was who was hanging at Calvary on the old rugged cross and uttered those words "It is finished," and forth from five bleeding wounds in His body poured His efficacious blood that meant CLEANSING FROM SIN for all nations, kindreds and tongues for all the ages to come!

Consider, I say, how great this man was that was hanging at Calvary and uttering those words "It is finished," and because of the dreadful sufferings of His physical body, those sufferings were efficacious to the PHYSICAL HEALING of all the human family for all the ages to come! No ordinary man was He! He was the eternal wisdom who lay in the bosom of His Heavenly father long e're the worlds were created or spoken into existence!

He was the One who in the beginning of the worlds stood on a platform made out of the atmosphere and spoke the worlds into existence and flung them out into space and the worlds began to pursue their own courses, for "In the beginning was the Word (Christ) and the Word was with God, and the Word was God, the same was in the beginning with God. By Him were all things made, and without Him was not anything made that was made."

But now hanging at Calvary, with a crown of thorns on His brow, and the blood pouring forth from His wounded brow, hands, and wounded feet and side, which had been pierced with a spear, and from His back which has been striped in Pilate's hall.

The agony of that hour when Christ cried "It is finished" cannot be told or expressed by mortal words, but praise God He was great enough to bear the SINS AND THE SICKNESSES of the whole world!

When Christ cried "It is finished" he had felt the sins of the whole world, placed in His body.

Likewise, when Christ cried "It is finished" He had felt the sicknesses, and diseases, and

"After this, Jesus knowing that ALL THINGS WERE NOW ACCOMPLISHED . . ." "When Jesus therefore had received the vinegar, He said, IT IS FINISHED and He bowed His head, and gave up the ghost." (St. John 19:28 and 30).

infirmities, of the whole world placed in His body!

Oh, the marvelous significance of these words! When Christ cried "It is finished" it meant that He had shed His precious blood for the sins of all mankind and that He had, by His vicarious sufferings, borne all the sicknesses and diseases and infirmities of all mankind.

His Atoning Blood

When Christ cried "It is finished" it meant that He had felt His life's blood pour forth from His body, and through that atoning blood all the sins of all mankind had been atoned for.

In all the history of the world never have mortal eyes looked upon a scene with such great significance to all mankind in the 20th Century, than that one, when Jesus, with His blood pouring forth from five bleeding wounds cried "It is finished!"

Modernists and skeptics deny the efficacy of the blood of Christ, but even physical science would tell us, that if there was any one thing about a man's body, great enough to make an atonement for sin it must be the blood. For physical science says that the blood plasma is the life of the body, the blood is the life of the body, the blood is the giver and the holder of all physical strength; the blood is the first to live and the last to die.

Therefore, physical science would tell us, that if there were any one thing about a man's physical body great enough to make an atonement for sin, it would have to be the blood.

The blood of this man was efficacious to make an atonement for the sins of all mankind! If those that stood at the feet of Christ as He was dying at Calvary, and looked up into His face had only known that they were looking upon one of the greatest scenes and events in all the history of the world!

Because the sins of the whole human family were placed, so to speak, on the shoulders of one man.

His Vicarious Sufferings

When Christ spoke those words, it meant that He had also suffered in His physical body, and through those vicarious sufferings, horrible sufferings, all the sicknesses, and infirmities, and diseases of all mankind were borne by Him because of those vicarious sufferings!

According to the words of the prophet Isaiah that "He was despised and rejected of men, a man of sorrows, acquainted with grief, and we hid as it were our faces from Him. He was despised and we esteemed Him not but surely He hath borne our sicknesses (Heb.) and carried our pains (Heb.) yet we did esteem him stricken, smitten of God and afflicted, but He was WOUNDED for our transgressions, BRUISED for our iniquities, the chastisement of our peace was upon Him, and with His stripes we are HEALED," (physical health.) "Surely He hath borne our sicknesses and carried our pains" (in His own body.)

When Christ cried, "It is finished," it meant He had been successful, because of the horrible sufferings of His body, in bearing all the sicknesses and diseases of all mankind. And we remember how great this man was, that the worlds were made by Him, and then we think of His vicarious, horrible sufferings, then we know and believe that those sufferings bring physical health to our bodies!

If dying had been all it would have been comparatively easy, but the suffering that was crowded into those thirty-three years! So much suffering that skeptics doubt it. That is the reason the prophet Isaiah said, "Who hath believed our report?" Who hath believed? Christ suffered so much in those thirty-three years that Isaiah prophesied that men would not

believe that one man could have suffered as much in His body as Christ.

He suffered that He might taste all things before us.

He bore all things that we bear. He was tempted like as we are tempted. And that is the reason why we have a great high priest "who can be touched with the feeling of our infirmities, for He was in all points tempted like as we are," in order that He might understand our sufferings!

Human words cannot express the agony, the hours of suffering of Christ before He went to Calvary!

Remember how great this man was!

Yet, "The foxes have holes, and the birds of the air have nests; but the Son of Man hath not where to lay His head."

Finally betrayed by one of His own disciples with a deceitful kiss! He was led away to Pilate's hall where they mocked Him, spit in His face, pulled His beard and crushed the crown of thorns down on His brow until the blood streamed down His face! They stripped Him to His waist and tied Him to the whipping post. Here the strong arm of Pilate and the Roman soldier laid the long leather whip, with pieces of bone or metal in the ends of the leather, across the back of the Son of God time after time with all the power that the Roman soldier had in his arms until the flesh of the Christ was laid open!

An early church historian, Eusebius, described the way the Romans scourged some martyrs and thus, gives us an idea of the awful sufferings of Christ. "All around were horrified to see them so torn with the scourges that their very veins were laid bare, and the inner muscles, and sinews, and even their very bowels were exposed."

We read from Geikie's "Life of Christ" as he gives a description of the scourging of Christ. He says in part, "He (Christ) was now seized by some of the soldiers standing near, and after being stripped to the waist, was bound in a stooping posture, His hands being behind His back, to a post or a block near the tribunal. He was then beaten at the pleasure of the soldiers, with knots of rope or plaited leathern thongs, armed at the ends with acorn-shaped drops of lead, or small sharp pointed bones. In many cases not only was the back of the person scourged, cut open in all directions, but even the eyes, the face, and the breasts were torn, and the teeth not seldom knocked out. Under the fury of the countless stripes, the victims sometimes sank amidst screams, convulsive leaps, and distortions into a senseless heap; sometimes died on the spot; sometimes were taken away, an unrecognizable mass of bleeding flesh, to find deliverance in death, from the inflammation and fever, sickness and shame."

He didn't suffer in vain! This was no ordinary man whose flesh was being mangled and whipped to a pulp!

He was the One who was there on that morning in the beginning of the worlds, when the earth's cornerstone was laid, before Heaven's orchestra ever sounded its first anthem of creation, or the sons of God ever shouted for joy!

Yet there He was tied to a whipping post, and the crack of the whip across His back could be heard echoing and re-echoing through Pilate's hall. Perhaps it was not only the fact that the cock crew, and caused Peter to leave the hall and walk out to himself and weep bitterly. Perhaps it was the echo, and re-echo

FINISHED!

By O. L. JAGGERS

of the crack of the whip across the back of his Lord!

What an insult to the Diety and greatness of Christ to say He did not suffer enough for our sicknesses, diseases, afflictions and infirmities!

No ordinary man was this, whose flesh was beaten to a pulp by the wicked whip laid on by the powerful arm of the Roman soldier!

He was the incomparable Christ, who created all things by the power of His words; the one who, in the beginning of the worlds dipped His hand into the bowl of Omnipotence and shook it, and from His hand fell dancing creatures, running rivers, oceans, and stars and constellations of the sky!

The one who, in the beginning of worlds, picked up the gigantic hammer of time, struck the anvil of creation, caught the sparks on the ends of His fingers, and decorated the vaulted skies! The one who took the great brush and swept across the skies, and painted the skies blue!

Though the Roman soldier didn't know it, yet every time that he laid the whip across the back of the Son of God, it meant that every sickness, disease, infirmity and affliction that we have in the 20th Century, was being borne in Christ's body, for with His stripes we are healed!

Finally He began the long trip up Calvary's mountain. Christ in His dreadful sufferings could not bear His cross. A man, Simon of Cyrene had to help bear His cross.

Finally at the place of a skull, Golgotha, they laid the old rugged cross on the ground, and stretched the body of the perfect, sinless Son of God on the old Rugged cross. They drove the spikes through His hands—the same hands that ministered to the people, the same hands that took Jarius' daughter who had died, by the hand and said, "Damsel, I say unto thee—arise"; they drove the spikes through His feet—the same feet that carried this marvelous man from place to place ministering healing to the people.

Then they raised the old rugged cross and plunged it down into the hole of solid rock prepared for it, with the crunching, crushing weight of the body of Christ pulling down against the spikes in His hands and in His feet; nothing supporting Him but the spikes in His hands and in His feet. And there hung the King! THE KING OF KINGS — THE LORD OF ALL LORDS!

He did not suffer in vain!

Why was He suffering so? In order that you might have, not only SPIRITUAL HEALTH, your sins atoned for by His blood, but, by those sufferings, that you might have PHYSICAL HEALTH in the 20th Century!

But that wasn't all His sufferings. On the cross they gave His vinegar and gall to drink. They pierced His side with a spear, and blood and water came forth. They mocked Him. They said, "He saved others but himself he cannot save. If thou be the Son of God come down off the cross and save thyself!"

They played an ordinary dice game at His feet!

Casting lots for His garments!

Yet in His misery He saved the thief on the cross!

This was the greatest scene that mortal eyes had ever looked upon!

Here, all alone at Calvary, was the Son of God, with the sins of 6000 years being atoned for by His blood, and the sicknesses of 6000 years being atoned for by His sufferings!

And He did it alone!

He, who could have called down ten thousand legions of angels!

Even God the Father turned His back on such a scene of suffering, as Christ cried out, "My God, my God why hast thou forsaken me?"

Finally, Christ said, "Father, into thy hands I commit my Spirit," knowing that ALL THINGS HAD BEEN ACCOMPLISHED. All things had now been accomplished—SPIRITUAL AND PHYSICAL HEALTH!

Oh, the significance of those words "It is finished." What earth shaking significance! Suddenly there was darkness over all the world. A great earthquake shook the earth. An unseen hand of Omnipotence suddenly rent the veil of the temple in twain, and it swung back revealing the holiest of holies. No longer was there any need for the office of the Priesthood as we had it under the Law. No longer was there any need for the holiest of holies, where the presence of God had been, for now that Christ was dying at that great scene, Calvary, we had a new, a living way to enter into the holiest of holies or into the presence of God, and that was by and through our Lord Jesus Christ, through His blood and through His sufferings! For there "is one God and one mediator between God and man, the man Christ Jesus."

The Tremendous Significance of "It is Finished"

Oh! The tremendous significance of these words "It is finished," to this sin-cursed, sin-blighted, unrighteous, demon-held generation!

Oh! The tremendous significance of these words "It is finished," to this afflicted, diseased, sick generation of the 20th Century!

Echoing out of the distant past almost 2000

years ago these three words "It is finished" meant to this generation of the 20th Century that:

1. Christ had been successful in atoning for all the sins, and unrighteousness, of all nations, kindreds and tongues because of His shed blood.
2. Christ had been successful in bearing all the afflictions, diseases, and infirmities and sicknesses of all nations, kindreds and tongues in the 20th Century because of His vicarious sufferings.

"It is finished!" Nothing can be added to it AND WE HAD BETTER NOT TAKE ANYTHING FROM IT!

It was finished once and for all, for this whole church age—ALL THINGS HAD BEEN ACCOMPLISHED, SINS HAD BEEN ATONED FOR ONCE AND FOR ALL; SPIRITUAL HEALTH AND LIFE WERE PROVIDED FOR ONCE AND FOR ALL!

"It is finished!" Nothing can be added to it AND WE HAD BETTER NOT TAKE ANYTHING FROM IT!

It is finished once and for all, for this whole church age—ALL THINGS HAD BEEN ACCOMPLISHED, SICKNESSES, DISEASES, AFFLICTIONS, AND INFIRMITIES HAD BEEN BORNE ONCE AND FOR ALL; PHYSICAL HEALTH HAD BEEN PROVIDED FOR ONCE AND FOR ALL!

THERE IS EVERLASTING SPIRITUAL HEALTH for all who will appropriate faith for it, because of these tremendous words, "It is finished."

THERE IS EVERLASTING PHYSICAL HEALTH FOR ALL WHO WILL APPROPRIATE FAITH FOR IT, because of these words "It is finished!"

Order from: Rev. O. L. Jagers — Dexter, Mo.

I pledge allegiance to the flag of the United States . .

Have you thought about the seriousness of the condition of our nation? Are you concerned enough to pray for peace and unity within our own gates. Oh, Christians, how can we stir you to prayer, to seeking God, to calling out to God and thanking Him for these wonderful and beautiful United States. Do you really pledge allegiance to the U. S. A.? We must do this. We must take stock of our indifference. We let the politicians run things and we are not interested.

Remember . . . you are America. If you are indifferent, America is indifferent. If you pray, then America prays. Remember, there are men and boys and girls in battle today for our country. You know that many will never return—many are dead and buried—let us pray more . . . yes more . . . every day for our country. Remember, we must pray for our leaders. They need our prayers as never before.

Remember — the peace of America does not rest on the shoulders of politicians, statesmen or heartless war mongers—it rests on the prayers of God's believing people.

IN TEMPORARY QUARTERS NOW

We are in the beginning of a great step of faith here at our world-wide headquarters in Dexter, Missouri. We are in the formative stage of building a place to pray for the sick where people can come from all over the world to be healed.

Already we have had people to come to us from many parts of the United States to be prayed for. However, we are severely handicapped here at our headquarters because we do not have an adequate place to pray for the sick, since our headquarters and offices here are small. Therefore, we are building a place to pray for the sick where we can minister to the people as they come from all over the world.

Remember, friends, there are hundreds of thousands who are not as fortunate as you are. They come in automobiles, on cots, in wheel chairs, on crutches, from everywhere, with all manner of disease such as cancer, arthritis, polio, the blind, the deaf, and all manner of sick and diseased people. Suppose that you were in their place with a disease that only God can heal . . . You would appreciate beyond words someone who would make it possible for you to be prayed for to be healed.

If I went out to the people over the country each day to pray for them for healing, I could only minister to a few each day . . . but by giving them an opportunity, and providing a place for them to come here, then I could minister to several hundred each day, and I am glad to give my life for the benefit of suffering humanity, for God has called me to this work.

It is a sad fact that there are hundreds of thousands of God's own people who are afflicted and diseased who do not understand divine healing, thus they need to be taught the word of God in order to appropriate faith, for faith for healing "cometh by hearing and hearing by the word of God."

We have purchased twenty acres of land two miles from the city limits of Dexter, on Highway 60 which is the main highway to St. Louis. We are building the place to pray for the sick on this land. On the same tract of land in connection with this place to pray for the sick, we are building a divine healing and camp meeting pavillion seating several thousand people, where at certain times of the year we will hold divine healing campaigns and old time camp meetings where people can come from everywhere to be healed.

Would you like a part in directly helping some sick and diseased, suffering person to be healed by the power of God? If you would like to contribute to this worthwhile work on earth, that of relieving suffering humanity of their pain and misery, you can address your contributions to: "The Voice of the Full Gospel," Dexter, Missouri.

In these days people contribute hundreds and thousands of dollars to cancer funds, heart funds, polio funds, crippled children's funds, etc., which is alright, but if you would like to relieve the suffering of some sick and afflicted, diseased, or some poor emaciated body then you can do this by contributing to the building of this place.

We have already cleared away about two hundred trees on this ground for the divine healing pavilion and we have already had electricity brought about one-fourth of a mile and the meter is already set. However, we have no church standing behind us financially, nor any source of income to pay the cost of this project. The cost will run many thousands of dollars and we are depending on the Holy Spirit to impress our friends to give to this worthwhile work where suffering humanity can have a place to come to be healed by the mighty power of God. We believe that God will speak to the hearts of people who will contribute hundreds—perhaps thousands of dollars to this great work for what greater way on earth is there to contribute to the work of God than that of relieving suffering humanity of sicknesses, diseases, afflictions and pain and misery?

To every one that sends a contribution to the building of this place to pray for the sick and divine healing and camp meeting grounds . . . we will send a picture of a sketch of the place we are building and the divine healing and camp meeting pavillion. We believe that if God's people pray about this that the Holy Spirit will impress them. Most people are not able to give hundreds nor thousands of dollars but they can give five, ten, twenty or smaller gifts. We claim the promise that fell from the lips of the Master himself for every one that gives to this worthwhile cause: "Give and it shall be given unto you . . . good measure . . . for with the same measure that you give, withal it shall be given unto you again."

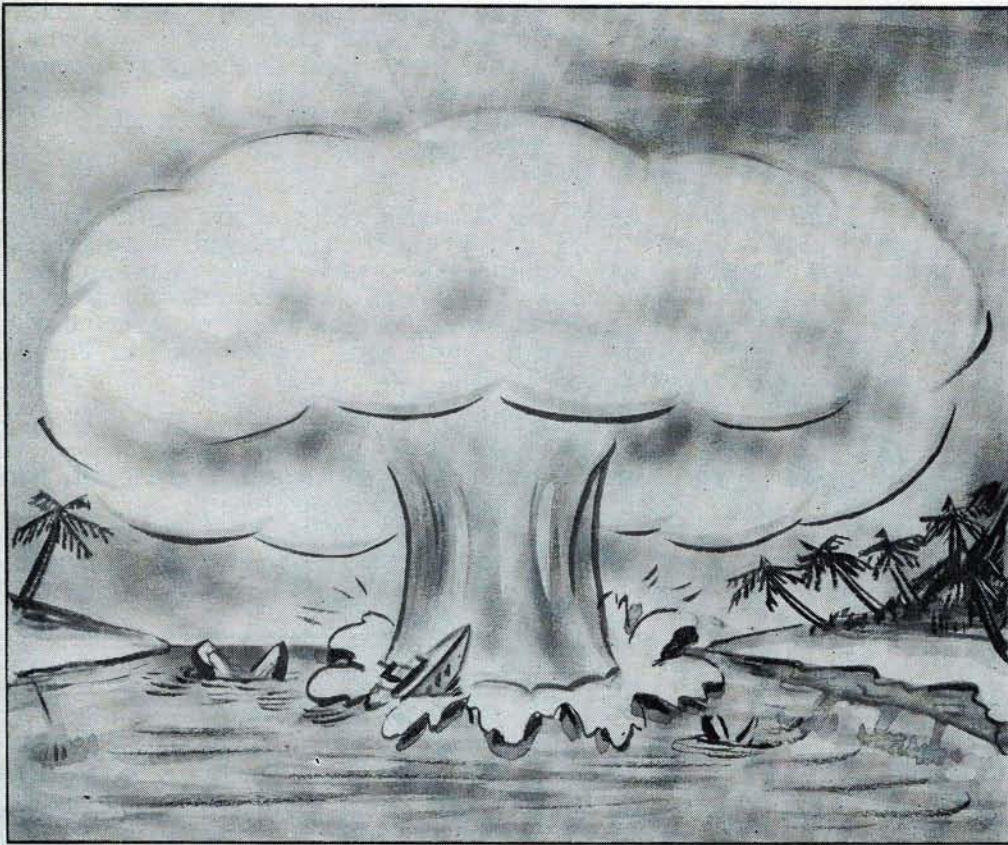

Address your contributions to: "The Voice of the Full Gospel," Dexter, Missouri.

The Atomic and Hydrogen

I am showing clearly that the Bible teaches that ALL THINGS were made out of that which is invisible, in other words the unseen atom. "The invisible things of God (i.e., atoms and molecules ARE CLEARLY SEEN (the worlds, and everything in the world that can be seen) being understood by the things that are made." Romans 1:20. The worlds were framed by the word of God and thus the VISIBLE was made out of the INVISIBLE (the unseen atom) Heb. 11:3, Moffetts Ver.

Creation in Reverse!

Since all creation is made of the Atom, therefore, when men split the atom they are uncovering the secrets of Diety. They are rushing in where angels fear to tread! Since all substance or creation is made of a collection of atoms, then when men split the atom to use as a DESTRUCTIVE FORCE then splitting the atom is CREATION IN REVERSE! In the use of the Atomic and Hydrogen bombs, creation will be in reverse, for men will be taking the very thing out of which all creation is made, that is the atom, and using it as a DESTRUCTIVE FORCE against mankind! Remember, that all matter consists of atoms and atoms are so small they are not even recognizable with the highest-powered microscope, yet in the unseen atom according to science, lies the power to destroy the world. There are 96 different kinds of chemical elements which compose atoms, out of which everything in existence is made. According to science there is enough energy in the soil of your back yard to run all the machinery in the world or to heat every home in the world: if that energy could be harnessed.

Christ Used Atoms To Perform Miracles!

According to John 1:1 the Lord Jesus Christ made the worlds by the power of God. We see then, that Christ in the beginning of the worlds, simply stood on a platform made out of the atmosphere and called the unseen atom out of nowhere and they sped by the billions to their proper place and formed everything in existence, the world, stars and constellations of the skies, holy angels, human beings, oceans, rivers, and everything that exists. That is why it was not a difficult thing for Christ, using the mighty power of God at his disposal, to call the unseen atom out of nowhere and replace the decayed flesh of Lazarus when he raised him from the dead, for remember the human body is made of the unseen Atom! That is why it was not a difficult thing for Christ by his miraculous power, to recreate a new arm or leg or eyeball or ear drum, or any other part of the human body which he miraculously healed while he was in the world . . . because he simply called the very atoms which composed those parts of the human body and they were reformed, healed, made normal in a moment's time, for remember the human body is made of the atom! That is why it was not a difficult thing for the Lord Jesus Christ to perform a miracle of changing one thing into another, for by replacing atoms of one kind with atoms of another kind he turned Lot's wife into a pillar of salt! He simply replaced the particular kind of atoms that make up a human body, with the particular kind of atoms that make up salt and thus turned Lot's wife into a pillar of salt, for all things are made of atoms! And it is just as easy for the Lord Jesus Christ today to recreate an ear drum, or some other part of the human body if it is for His glory as it was when he was in the world in person, for He is still the same today, and by manifesting his miraculous power He can perform a miracle of recreation in a human

"I call heaven and earth to record this day against you, that I have set before you life and death, blessing and cursing; therefore, choose life, that both thou and thy seed may live." Duet. 30:19.

The atomic and hydrogen bombs are clearly and unmistakably prophesied in the word of God. God's word describes them and their horrible destructive power in minutest detail. God's word also gives a detailed scientific explanation of these terrible destructive weapons. Always remember this: The Bible is history pre-written and God's Book is scientifically correct. The Bible is still ahead of the human race, both scientifically and historically. God's word prophesied things and events thousands of years ago which have taken science hundreds of years to discover.

God's Alternative to Man

In the verse of scripture written above in Duet., Chapter 30, verse 19, you will find God's proposition to man. This proposition has now become an alternative. God's proposition to the whole human family from Adam until now is included in this one verse of scripture: That God sets before his people first of all, blessing and life, conditional on the people keeping His commandments and statutes and laws written in His word, but when man rejects God's laws and commandments, after having an opportunity to respect the teachings of God and after God has extended his BLESSING and LIFE, then God sends CURSING and DEATH, or his judgment falls upon any civilization that violates His laws. This is clearly set forth in the 19th verse of Duet. 30, as written above, that God; "Sets before you BLESSING AND LIFE or CURSING AND DEATH, therefore choose life that both thou and thy seed may live." This verse and this truth has been clearly demonstrated in history for every great world empire has come and gone and passed from existence on this earth such as, the Babylonian,

Assyrian, Persian, Grecian, Roman, and others. The history of these is, that they had an opportunity to respect the teachings of God or God's BLESSING AND LIFE but rejected God's laws and thus experienced God's CURSING AND DEATH for judgment fell upon them and they passed out of existence from this earth. God set before them blessing and life but when they rejected him then came cursing and death. In other words, God extended His love and mercy first as he always does to every civilization, but when those civilizations rejected God's moral laws and His way of salvation, then judgment fell upon them.

The Unseen Atom

With no exception, all matter, growing things, living creatures, the worlds, human beings, oceans, stars and constellations of the sky, demon spirits, angels, every thing visible or invisible, both in heaven or in earth are made of the unseen atom. The air that we breathe is nothing but atoms. In order to fully understand the prophetic word of God relative to the atomic and hydrogen bombs you must remember this one thing throughout this article: THAT EVERY THING IN EXISTENCE, THE WORLDS, THE STARS AND CONSTELLATIONS OF THE SKY, THE OCEANS, THE EARTH ITSELF, THE AIR THAT WE BREATHE, EVEN THE HUMAN BODY . . . THAT EVERYTHING IN EXISTENCE IS MADE OF THE UNSEEN ATOM! This is a scientific fact which is clearly taught in the word of God: That everything in existence is made out of the UNSEEN! The word of God makes this very clear. "Through faith we understand that the WORLDS were framed (or made) by the word of God, (Christ) so that things which are seen (the worlds, human beings, oceans, stars and constellations in the sky, etc.) were not made of things which do appear." (i.e., were made out of things unseen).

Bombs in Bible Prophecy

body that has been partially eaten away or destroyed by cancer, or some other disease for He still has supreme authority and commanding power to summon the particular kind of atom to reform or miraculously heal any part of the human body!

The A-Bomb, Greatest Destructive Force Ever Released by Mortal Man!

The atomic and hydrogen bombs are the greatest destructive forces ever released by mortal man! To show that this is an authentic statement I quote now part of a speech by Rep. Arends, of Illinois, made before the House of Representatives, "The atomic bomb that wrecked the entire city of Hiroshima in Japan . . . and killed 150,000 humans, was nothing compared to the ones science has developed since. Science says that the bomb that destroyed 150,000 humans . . . was a mere firecracker compared to the ones they have now. At this moment it is possible to drop or propel atomic bombs into our largest cities . . . so as to kill millions of people in one operation." He said, "New York City, Washington, D. C., Chicago, Philadelphia, Detroit, Los Angeles . . . and all major cities are the most dangerous spots on earth . . ." And he suggests creation of underground shelters for their entire populations and industries. "There is no defense against the Atomic Bomb." "The only defense (which is not really a defense) is to return to the caveman era and burrough into the ground . . . in order to escape complete annihilation or destruction." He said: "no nation, no city, no home, no individual, is free from annihilation or destruction." "Scientists say . . . that the heavens may be ignited by atomic power and completely destroy the world." He further said: "The atomic bomb could become one thousand times more powerful than at present." "Instead of blowing up a city of three hundred thousand, it could blow up a city of three hundred million . . . or twice the population of the United States or fifty times the population of the largest city in the world!" "Further developments in the scientific realm could make it even more powerful than that. The atomic bomb released on Japan released energy amounting to two hundred million electron volts per atom . . . and was more powerful than twenty thousand tons of TNT!" He further said, "man has in his power the means to destroy the whole human race."

A great religious leader said, "only intervention by the Lord Jesus Christ can save the human race from complete annihilation." Praise God, the Lord Jesus Christ will intervene! It is the opinion of this writer that the Lord Jesus Christ will lift his church from the earth before this terrible destructive power is turned loose on the human race. Christ said: "When you see all these things begin to come to pass, SEE THAT YE BE NOT TROUBLED . . . your redemption draweth nigh." Again he said: "Watch and pray always THAT YE MAY BE ACCOUNTED WORTHY TO ESCAPE ALL THESE THINGS THAT SHALL COME TO PASS and to stand before the son of Man."

BECAUSE OF THE GRAVITY OF THE WORLD SITUATION BRO. JAGGERS WILL PRESENT ON THESE PAGES OF "THE MIRACLE WORKER" — IMPORTANT AND TIMELY SUBJECTS FROM THE PROPHETIC WORD OF GOD EACH MONTH.

By O. L. JAGGERS

Further Description of Terrible Destructive Power of Atomic and Hydrogen Bombs

Picture in your mind the destructive power of the atomic bomb for later we shall associate this with the prophetic word of God. Picture in your mind what happens when an atomic bomb is dropped on a city. Picture in your mind a sudden blinding flash of light spraying its dazzling brilliance over a radius of 200 miles. (one bomb!) From the ground there rises a whirling, groaning, growling ball of fire. (notice the atomic bomb is a ball of fire). It shoots upward into the heavens . . . and there is a terrific roar . . . like the sound of a million thunders . . . ! Then . . . comes a succession of explosions from that same ball of fire! Gigantic clouds of smoke roll upward into space (notice the clouds of smoke) like a living monster . . . crawling out of the pit of perdition! . . . The huge ball of fire rocks and reels as it rises to a height of ten miles in the air!

Reaching out in all directions . . . up . . . down . . . in all directions . . . the atomic bomb brought destruction on everything in its radius!

In the millionth of a second, a hundred thousand homes disappeared with a puff of smoke!

Bomb shelters were ploughed up . . . women, little children, hundreds of thousands of human beings died like flies! All in the particle of a second!

Neither man, beast, or even insects survives!

This ball of fire (the atomic bomb) was so hot that it melted the steel of bridges, melted skyscrapers, melted the largest locomotives, and blew their vapors into the skies!

Smoke rolled in an endless volume . . . blotting out the sun and moon and stars for days and nights!

What was once a great city, was now a huge crater!

Beyond the huge crater caused by the atomic bomb . . . the vibrations of radio activity . . . killed men for many days after the explosion . . . for the radio activity destroys the blood in a man's veins! (remember the radio activity). THIS IS THE ATOMIC BOMB . . . THE GREATEST DESTRUCTIVE FORCE EVER RELEASED BY MORTAL MAN! MULTIPLY THIS DESTRUCTION BY FIVE HUNDRED TIMES AND YOU HAVE THE DESTRUCTIVE POWER OF THE HYDROGEN BOMB! FOR THE HYDROGEN BOMB IS A GREATLY MAGNIFIED VERSION OF

THE ATOMIC BOMB AND WHEN SET OFF CREATES A CHAIN REACTION AND NO ONE KNOWS WHERE IT WOULD STOP!

Air Vice-Marshall Bennett of the British armed forces delivered an address the evening of September 29th 1945 before the London Institute of World affairs in which he said:

"If the bomb were wrongly used the Prime Minister of England (or the enemy in Russia) sitting in a control room at Ten Downing Street, could declare war by releasing six thousands atomic rockets on the enemy. Even if the enemy were to live 5,000 feet under the ground they would not really be safe as bombs could be devised with enormous penetrative powers. All other weapons are now out of date."

President Truman said, regarding the atom bomb:

"I realize the tragic significance of the atomic bomb. Its production and its use were not lightly undertaken by this government. But we knew that our enemies were on the search for it. We know now how close they were to finding it. And we know the disaster which would come to this nation, to all peaceful nations, to all civilization if they had found it first." (Russia now has it!) Pres. Truman further said, "The atomic bomb is too dangerous to be loose in a lawless world. We must constitute ourselves trustees of this new force to prevent its mis-use, and to turn it into the channels of service to mankind. It is an awful responsibility which has come to us. We thank God that it has come to us, instead of to our enemies and we pray that he may guide us to use it in his ways and for his purposes." (our enemies have it now). President Truman further said, "The world could not survive another total war." "The next war could destroy every sizable city in the world and the war would need to last only fifteen minutes!" He further said: "The atomic bomb threatens international suicide."

THANK GOD FOR HIS PROPHETIC WORD! HOW WONDERFUL AND THRILLING THAT GOD HAS SUPPLIED US WITH THIS WONDERFUL BOOK! JESUS CHRIST FORETOLD THIS ALMOST INTERNATIONAL SUICIDE NEARLY TWO THOUSAND YEARS AGO WHEN HE SAID PROPHETICALLY, SPEAKING OF THE ENDING OF THIS AGE WHICH WE ARE NOW APPROACHING; "And except those days be shortened . . . THERE SHOULD NO FLESH BE SAVED."

(Be sure to follow this tremendously important article in next month's issue of THE MIRACLE WORKER).

Phonograph Records That Will Thrill You - - By Bro. Jagers

The following list of records has been professionally made by Bro. Jagers. He has employed the use of various musical instruments to make these records. Bro. Jagers has a fine voice and is known all over the country for his musical talent. He is an accomplished pianist and electric guitarist. Also there is a record of the beautiful musical glasses which have moved many audiences to tears, happy thoughts and love of humanity because of their deep spirituality. We urge you, friends, to purchase these records, for we regret that Rev. Jagers is finding less time to play the piano and very seldom the musical glasses in his campaigns. Time is so short and the coming of Christ so near, he spends all the time at his disposal praying for the sick, preaching the gospel to the world via radio, the written word in the MIRACLE WORKER and through great revival and healing campaigns. For this reason, we have made the foregoing statement. We do not mean that Bro. Jagers will not play requests occasionally but due to the gravity of the world situation and the need for quick evangelization of the lost, it has become necessary to present his musical talents mostly through records.

A list of Bro. Jagers records follows. Note the variety—piano solos, electric guitar solos, and Bro. Jagers playing his own accompaniment both on guitar and piano.

1. *Take My Hand Precious Lord* (Singing with electric guitar.)
High Up in Jerusalem (Singing with electric guitar.)
2. *He'll Understand and Say Well Done* (Singing with electric guitar.)
Getting Ready to Leave This World (Singing with electric guitar.)
3. *Alone* (Singing with Bro. Jagers playing his own piano accompaniment. Bro. Jagers' own composition.)
God Is Real (Singing with electric guitar.)
4. *On the Jericho Road and Give the World A Smile* (Piano solo by Bro. Jagers.)
When They Ring Those Golden Bells (Piano solo by Bro. Jagers.)
5. *If I Gained the World but Lost the Saviour* (Singing with Piano; This is the song that brought Bro. Jagers to Christ.)
Zion's Hill (Singing with piano.)
6. *The Blood That Stained the Old Rugged Cross* (Singing with electric guitar.)
I've Got That Old Time Religion in My Heart (Singing with electric guitar.)
7. *The Haven of Rest* (The Famous Antique Musical Glass Goblets, over 100 years old.)
Jesus I'll Go Through With Thee. (Singing with Bro. Jagers playing piano accompaniment.)
8. *Shut in With God* (Singing with Bro. Jagers playing piano accompaniment.)
We'll Understand It Better By and By (Singing with Bro. Jagers playing electric guitar accompaniment.)
9. *Overshadowed* (Singing with Bro. Jagers playing piano accompaniment.)
High Up in Jerusalem (Singing with electric guitar.)
10. *Wonderful Grace of Jesus* (Famous antique musical glass goblets.)
On the Jericho Road and Onward Christian Soldiers. (Electric guitar solos by Bro. Jagers.)
